DESIGNATION OF BENEFICIARY

Did you know that your beneficiary will not be changed automatically by any future marriage or divorce? Changing or designating a beneficiary for your RRSP, RRIF or TFSA is an important consideration when reviewing your personal finances. When you convert an RRSP into a RRIF they are considered to be separate plans, so any designated beneficiary you specified for the RRSP will not be automatically carried over to the RRIF. You will be required to designate a new beneficiary. If you wish to change your beneficiary, please complete a new Designation of Beneficiary form at any of our five branches. If you have any questions, please contact the highly knowledgeable staff at your local branch.
